

## Squash Report

With squash being an indoor sport, much tighter Covid restrictions were in place than for Tennis, we were allowed briefly to play squash during the summer with 'sides' play to keep players apart and also required to wipe down surfaces after playing, these restrictions had an impact with some previous members choosing not to re-join in 2020, hopefully they will return in 2021.

### Maintenance

We took the opportunity during lockdown to refurbish the squash courts, a year earlier than scheduled. Work was carried out by Pete Miles and his team and they did a very good job. The squash courts are in excellent condition and ready to be used when we're allowed to play again.

### Club Nights

Sunday club night which starts at 5:15pm are a good way for new members to find their level and people to play.

Numbers are consistent with previous years and a good opportunity for new members to meet & socialise after in the club house.

### Training

Training & coaching during the week and on Saturday mornings is well attended.

Individual and junior coaching is available from Andrew Wilson and Jenny Edwards with good progress being made by the juniors.

### Team matches

We usually enter one team in the summer and two in the winter playing in the Oxfordshire Squash Racket Association (OSRA) leagues

Covid19 curtailed the end of the season with the last four matches not being played.

In the winter we were in Division 2 and 6 for winter part 1.

Winter 2020-20 part 1 (pre xmas)

The first team finished 8th and dropped into division 3, we had to drop the 2nd team due to a number of injuries making it impossible to field two teams.

Winter 2020-20 part 2 (post xmas) last four matches not played.
